24. 2011 Mercedes C 250

Description: 2011 C250 sedan RWD 7 speed automatic A/C, metallic paint pwr group. Exceptionally smooth and refined, the C-Class' three DOHC V-6 engines have a passion for performance 201 hp and 181 lb-ft of torque make for outstanding responsiveness. Variable valve timing bestows it with an incredibly broad power band for swift acceleration and passing performance. This engineering masterpiece ensures barely perceptible shifts through the entire gear range. Along with intelligent transmission programming that learns and adapts itself to your personal driving style, 7G-TRONIC can skip several gears for responsive stopping power or when downshifting for quick bursts of speed. It also boasts a second reverse gear with a higher transmission ratio to make pulling away on ice and snow easier and safer. The C-Class sets the standard for combining comfortable suspension and low interior noise levels with phenomenal handling prowess. The C-Class features a selective damping system. The standard-fit AGILITY CONTROL package automatically adjusts the dampers at each wheel to a harder or softer setting according to the given situation

Value: \$46,330

Compliments: **O'Regan's**
